Daycare is a cage-free service designed for social dogs to play and have fun. All dog guests will be placed in a group based on their size and temperament. Since safety is our primary goal, Daycare is not for every dog. It is not a place for aggressive dogs to learn to be social. To be accepted into Daycare, each dog must complete an evaluation. In order to have an evaluation, each dog must:

- Complete Posh Pet Hotel's Client Agreement, House Rules, Dog/Cat Profile and Daycare Evaluation Check-In
- Be at least 12 weeks of age and have completed first two series of vaccinations, including a bordetella vaccine
- Meet published vaccination standards.
- Be neutered, except puppies under 1 year of age. Un-spayed females may participate, unless they are in heat.
- Pass Daycare Evaluation
